

☺ WELCOME To the Bonnie View Inn ☺

RESERVATIONS ARE REQUIRED FOR BREAKFAST & DINNER

We need RESERVATIONS for breakfast and dinner so we can keep organized, keep our food fresh & provide efficient awesome service!! Reservations need to be made one meal prior! ☺

MEAL PLAN~~ Over the years we have found guests excitement for the meal plan has changed drastically. SO this summer we have decided NOT to do a meal plan, we find it is better for you financially & better for us organizationally! INSTEAD we take 15% off DINNER purchased in our dining room, not breakfast or patio. The dinner needs to be room charged so we can take it off at the end of your stay when you check out. (The discount is not valid for friends joining you for dinner not staying at the inn.)

DINNER 6:00-7:30 PM~~ Reservations are Required with seating's every $\frac{1}{2}$ an hour. Smart Casual Dress code(no cell phones, ripped clothing, tank tops, swimsuits, baseball hats)

BREAKFAST 8:30 - 10:00 AM~~ Pre booking the night prior is required.

Unfortunately due to past experience—if you book & do not show up we will have to charge you. We staff and prep for what is booked. ((Because we prepare the staff & food for the number of people booked, we cannot feed you without knowing in advance you are coming! We hope you understand!))

We do not serve lunch this time of year, we found everyone ends up out and about!! Let us know what you are looking for and we will help you find it!! You can feel free to use BBQ and if you need dishes microwave ect let us know!!!
