**LOCAL VENDORS**~~~ We have a local list we will send you. ☺

**HOW MANY PEOPLE CAN THE INN SLEEP?**~~~We can sleep up to 80 people using all of the beds & pullouts. If you need more accommodation we work with other locations in the area and can organize shuttles service or DD drivers ...I would make sure all your guests found a bed!

**HOW DO THE ROOMS GET BOOKED**~~~ *There are a few different ways...*

**ONE:** Make sure family is onsite, and then have your guests call & book the rooms they want. We can give you a link to a rate page to include in the invites.

**TWO:** You assign your guests specific rooms & people to share with to maximize, tell them & they call to book with their information

**THREE:** You assign everyone rooms and guarantee them and no one needs to call. We have a template page you can use to assign rooms. ((NOTE: They will not be able to book online--we will block the rooms so people not with the wedding are not able to book.))

**HOW MANY GUESTS FOR THE RECEPTION CAN THE INN HOST?**~~~Our dining room can seat maximum 120 people. There is room for 20 more in the lounge & 15 on the screened porch. If over 120 people we would rent a large tent & set it up on the side of our property by the kitchen overlooking the lake, an area we have leveled off & put down nice gravel for that reason!! Dinner would be served in the tent, then everyone move into the dining room/lounge area to party!! With over 120 people we set up two bars for quicker service in the main building. With over 120 in a tent we would need to rent "glamour" porta potties. ((we can discuss depending on numbers the cost for the tent & port a potty rentals.))

**WHAT IF I BOOKED FOR 120 PEOPLE BUT ENDED UP WITH 50 PEOPLE**~~~ The packages are priced based on the numbers needed. If you booked a weekend with a minimum 95 for the reception....but only have 80 ...you would be charged for 95. If you booked a weekend where the minimum of rooms need to be booked and they are not you would be charged the difference. You can talk to Andrea in advance if you see a problem arising to see what can worked out...but do not leave it to less then 2 months out . Numbers left to 2 months prior cannot be worked out.  
**YOU WOULD know in advance how much everything will be. There are NO SURPRISES.** ☺

**HOW DOES PAYMENT WORK? WHAT KIND OF A DEPOSIT DO YOU NEED?~**You would pay the balance Sunday after the wedding. There are no surprises. You will know exactly your cost. Payment can be made by cash, ET, debit, MasterCard or Visa. Sorry not by AMEX. Deposits are non refundable. When you decide on a weekend a \$1000 deposit is needed to start & for me to hold the weekend and the rooms. \$5000 total deposit one month prior to the wedding on file.

**HOW MUCH ARE KIDS? TEENS? WHAT DO KIDS EAT?~**Kids 5 and under are \$30 taking up a seat not eating. Kids 10 and under eating a kids menu choice are \$40. Teens & obviously pregnant woman eating an adult choice but no bar would be a different food only rate. I have found the best kids meal choice to be soup, chicken fingers/fries/veggie sticks and dessert. ((not too messy!)) But this can be different!!! (prices are plus 13% hst and 18% gratuity)

**DO WE GET TO TASTE THE FOOD; HOW DO WE PICK THE MENU?~**You would come for a tasting during dinner hours on a day we work out together for two people. Two people are included less gratuity. You would try our house wine also. You can bring more people for \$25 each plus HST & gratuity. We would send you tasting dates & you can book a room that night in the inn for \$80+HST. During the tasting you would decide on the appetizer, entrée & dessert that you would like to offer for the wedding dinner. In the invites you would find out which entrée each guest wants.....prior to wedding let us know who has chosen what and where they are sitting...so that we have great efficient service. Also anyone with dietary needs and where they are sitting.

**WHEN DO YOU NEED FINAL NUMBERS?~**At least two weeks prior to your wedding we would need to know the number of adults/children and what food choice they are having. This is ok to change up to 10 days prior to your wedding. Within the 10 days we would have to charge for the number confirmed because we have by then planned, prepped & staffed accordingly.

**CAN I CHANGE THE PACKAGE? WE WERE REALLY HOPING FOR A BBQ & CASH BAR?~**Absolutely. Within reason!! Let me know your thought & I will give you other ideas!!!

**HOW DOES THE BAR WORK OVER THE 4 HOURS INCLUDED? WHY 4 HOURS?~**I have found that 4 hours are the busiest bar times & unfair to charge you an inclusive price on everyone longer when not everyone will be here or drink. SO best way to handle the other hours is either by consumption of cash bar to the guest..

**WHAT IF I WANT DIFFERENT ALCOHOL THEN DOMESTIC & HOUSE WINE?~**I have based the package on the domestic items listed & house wine within a certain price range. If you would like different you would pay the cost difference only. If you needed a certain Scotch for a few specific people then we would order that in and charge cost.

**CAN I BRING MY OWN DECORATIONS? MY OWN CHAIRS & LINENS?~**Yes!! There are not many things I would say no too, unless they would harm the charm or anything at the Inn. We would talk about all your ideas and make sure they work. If we do not have what you are looking for you can rent or bring your own.

**CAN WE HAVE THE DANCE & PARTY OUTSIDE?~**We can serve the food outside but not have loud music after 10PM as per our lakes noise bylaw.

**CAN OUR GUESTS STAYING THERE HAVE THEIR OWN ALCOHOL ON THE PROPERTY OR IN THEIR ROOMS?~**Guests cannot have their own drinks in any of our licensed areas which are the patio by the lake, lounge and dining room. BUT they can have their own drinks in their rooms or just outside. If they walk around outside at all to visit another room they must be in plastic or cans. There cannot be glass anywhere outside on the property.

**CAN WE BRING OUR DOG?~**If your dog is special to you and you want it to be part of the ceremony then it is ok when all rooms are booked. We would need you to sign a waiver and make sure no damage. (we have found pets behave differently when in a 'new' environment)

**CAN YOU HELP WITH BABYSITTERS?~**Absolutely. By letting us know in advance how many are needed, time and where they need to be we will schedule them with the staff. Cost would be to the sitters in cash and minimum wage per hour. (2 kids per sitter under 5 years old. 3 kids per sitter between 5 – 9. 4 kids per sitter 10 and over.)

**FIREWORKS, CHINESE LANTERNS OR SPARKLERS?~**Unfortunately due to regulations these are not allowed in our area. ((except Victoria day, Canada day, new years eve, civic holiday or labor day))
